I- GENERAL INFORMATION, BASIC PRINCIPLES AND RULES

1. The Çobanbey Faculty of Medicine, which was established in Syria (Çobanbey/Aleppo) within the scope of the University of Health Sciences with the President's Decision dated 05.02.2021 and numbered 3519, includes a 6 (six) year Medical Program education after one year of Turkish preparatory class education.

2. In the 2023-2024 academic year, the quota of Syrian national candidates living in Syria and foreign nationals residing in Syria for the Çobanbey Faculty of Medicine, which was established in Syria (Çobanbey/Aleppo) within the scope of the University of Health Sciences, is equal, and ten percent of the general quota is kept. A total of 60 (sixty) students will be admitted, limited to 10% (10%), and Turkish Preparatory Education will start as of the start of the 2023-2024 Academic Year. Students who have successfully completed the Turkish Preparatory Education or who have at least C1 level Turkish Proficiency Certificate will be enrolled in the 1st (first) class of the Çobanbey Medical Faculty Medical Program, and they will begin the 1st (first) class education of the Faculty of Medicine in the Fall Semester of the 2023-2024 Academic Year.

3. Students will be admitted to the University of Health Sciences (SBU) Çobanbey Medical Faculty after participating to written and oral interview exams for the 2023-2024 academic year. **The application for the Student Selection and Placement Exam can be made online between 02 July - 06 August 2023 at basvuru.sbu.edu.tr/**

4. Students will be admitted to Health Sciences University Çobanbey Faculty of Medicine on the dates determined by the Çobanbey Medical Faculty Student Selection and Placement Examination Commission in the 2023-2024 Academic Year, after the Student Selection and Placement Exam, by making an oral interview. The University of Health Sciences Student Selection and Placement Exam will be held face-to-face on August 16, 2023 at 11:00 in three separate exam centers in the cities of Çobanbey, Azez and Elbab in Syria.

5. University of Health Sciences Student Selection and Placement Exam includes written and oral interview exams for prospective students who want to study at Çobanbey Faculty of Medicine and who live in the Syria (Çobanbey/Aleppo) region. These written and oral interview exams will be held by the University of Health Sciences, and the interview exams to be held after the Student Selection and Placement Exam will be held face-to-face at Syria Çobanbey Faculty of Medicine between 27 August – 30 August 2023, between 10.00-17.00.

6. In the 2023 – 2024 Academic Year, 60 (sixty) student quotas have been given to the Health Sciences University Çobanbey Medical Faculty Medical Program, and 60 (sixty) substitute student quotas have been determined to fill the vacant quotas.

7. A Turkish Proficiency Exam will be given to students who enroll in the Çobanbey Faculty of Medicine, which was established in Syria (Çobanbey/Aleppo) within the scope of the University of Health Sciences, in order to be exempt from Turkish preparatory class education..

8. This guide covers the rules that candidates who want to apply to study at Health Sciences University Çobanbey Faculty of Medicine for the 2023 - 2024 Academic Year must comply.

9. The written and interview exam results of the candidates who took the Health Sciences University (SBU) Çobanbey Medical Faculty Student Selection and Placement Exam are valid only for the 2023-2024 Academic Year and cannot be transferred to the following years.

10. 7. The duration of education in the preparatory class of the Health Sciences University (SBU) Çobanbey Faculty of Medicine is two years at the most. Students who are not successful in the preparatory class education within two years or who cannot bring a C1 level Turkish Proficiency Certificate from the Turkish Proficiency Exam conducted by the Health Sciences University Turkish and Foreign Language Application and Research Center Directorate (TÖMER) or the Yunus Emre Institute Directorate will be dismissed from the academic unit in which they are registered..

11. Turkish, Arabic and English communication languages are used in communication between our university and candidates.

12. Students who will apply to Health Sciences University (SBU) Çobanbey Faculty of Medicine for the 2023 - 2024 Academic Year will deposit in Turkish Lira for 10.00 \$ (Ten American Dollars) to the IBAN Account of the Health Sciences University as the application fee for the Student Selection and Placement Exam.

13. Candidates who will take the exam must have their passports or identity documents with them on the exam days, along with the exam entrance document.

14. Candidates who have applied for the University of Health Sciences Student Selection and Placement Examination but who do not take the written exam will not be admitted to the interview.

15. Candidates who will apply for the Foreign Student Selection and Placement Exam to be held for Çobanbey Medical Faculty in the 2023-2024 Academic Year; will not be able to apply for the SBÜYÖS2023 From Abroad and Foreign Students Selection and Placement Exam, which will be held by our university. Applications of candidates who are found to have applied for both exams at the same time will be deemed invalid. Even if they gain the right to final registration, their registration will be cancelled.

16. The results of the Student Selection and Placement Exam to be held by the University of Health Sciences are only valid for students who want to study at Çobanbey Faculty of Medicine.

II - CANDIDATE APPLICATION PROCEDURES

1. Written and interview applications of students to be admitted to Health Sciences University (SBU) Çobanbey Faculty of Medicine in the 2023 – 2024 Academic Year will be made online at <https://basvuru.sbu.edu.tr/> between the dates specified in the Student Selection and Placement Guide.

2. Applications of candidates who do not upload all required documents from <https://basvuru.sbu.edu.tr/> will not be taken into preliminary evaluation. Documents requested from candidates to be uploaded to the online application system during application:

a. Citizenship certificate or Passport

b. Baccalaureate (IB) Exam Result document that replaces high school diploma or High School diploma (Diploma or Baccalaureate exam result document must be uploaded front and back to the online application system.)

c. Photograph (must have been taken within the last six months)

d. Receipt showing that the Student Selection and Placement Exam fee has been paid

3. Candidates who apply online for the University of Health Sciences Student Selection and Placement Exam have to choose one of the exam centers (Çobanbey, Azez and Elbab in Syria) they want to take the exam online. The University of Health Sciences will automatically assign the exam centers to be entered by the candidates who do not choose the exam center.

4. Students enrolled in any University in Turkey cannot apply to Çobanbey Medical Faculty, and students enrolled in any of the Faculty of Medicine in Syria or Çobanbey will be registered. to Çobanbey Faculty of Medicine after they have the right to enroll in Çobanbey Faculty of Medicine, but on the condition that they cancel their registration from the previous faculty.

5. In addition, students who are found to be enrolled in two different universities will be deleted from Çobanbey Medical Faculty regardless of the academic year.

6. In the 2023-2024 academic year, only Syrian candidates living in Syria and foreign candidates residing in Syria will be able to apply for the Health Sciences University (SBU) Çobanbey Medical Faculty foreign student selection and placement exam. The first nationality of the candidate students is Syria and the applications of the candidates with dual citizenship who have acquired the citizenship of the Republic of Turkey through application will not be accepted. Even if the candidates who are found to have made an illegal application despite not meeting the application requirements are entitled to enroll, their registration will be cancelled.

7. Candidates who will apply for the Foreign Student Selection and Placement Exam to be held for Çobanbey Medical Faculty in the 2023-2024 Academic Year will not be able to apply

for the SBÜYÖS2023 Abroad or Foreign Student Selection and Placement Exam, which will be held in Turkey by our University. Applications of candidates who are found to have applied for both exams at the same time will be deemed invalid. Even if they gain the right to final registration, their registration will be cancelled.

8.All responsibility for the consequences arising from inaccuracies in the information in the online application form belongs to the candidates. The identity information fields of the online application form should be entered without abbreviation and without changing the identity information in the passport of the candidate with the Latin Alphabet.

9.The e-mail and telephone contact information requested in the online application form must belong to the candidate and each candidate should use only one e-mail. No correspondence/transactions should be made on behalf of other candidates with this e-mail.

10.If the original of the high school diploma does not belong to any of the Turkish, Arabic or English languages, the translation of the high school diploma translated into Turkish by the Sworn Translation Offices is accepted.

11. There is no need for translation for candidates who do not have a high school diploma and apply with the Baccalaureate (IB) Result Certificate obtained at the end of the high school leaving exams.

12. The candidate's photograph should be attached to the relevant field on the online application form. This photograph must have been taken from the front and within the last six months, allowing the candidate to be easily recognized. On the day of the exam, this photograph should not contain any changes in appearance characteristics that may play an important role in the recognition of the candidate. It should be kept in mind that the Chairman of the Examination and Interview Commission will not take the candidate for the written and interview exam if he has difficulty in identifying the person concerned because of the photograph of the candidate.

13. The suitability of the candidates' interview application is evaluated by the University of Health Sciences Student Selection and Placement Examination and Interview Commission.

IV. UNIVERSITY OF HEALTH SCIENCES PRELIMINARY EVALUATION OF STUDENT SELECTION AND PLACEMENT EXAM APPLICATIONS

1. The suitability of the candidate's application is evaluated by the Health Sciences University (SBU) Student Selection and Placement Examination and Interview Committee.
2. Evaluation of applications and placement of candidates is entirely under the authority of the University of Health Sciences. The University of Health Sciences is free to fill the quota or not.
3. All documents required in the application must be approved by the relevant authorities.
4. For the candidates who do not have a high school diploma, those who have a Baccalaureate (IB) Result Certificate (scientific-numerical or literary-verbal) obtained at the end of the high school graduation exams will be accepted for the Çobanbey Medicine Faculty interview application.
5. Candidates who are entitled to take the written exam according to the preliminary evaluation result will be announced at <https://basvuru.sbu.edu.tr> along with our university's corporate website.

V. UNIVERSITY OF HEALTH SCIENCES COBANBEY FACULTY OF MEDICINE STUDENT SELECTION AND PLACEMENT EXAM

1. Exam applications of the candidates are examined by the SBU Student Selection and Placement Examination and Interview Commission. After the examination of the documents, the Commission determines whether the information and documents are complete. Candidates whose “written exam applications” are accepted at the end of the examination, are required to have their exam entrance documents, passport and/or ID cards with them on the exam day.
2. The SBU Student Selection and Placement Exam will be held at Çobanbey, Azez, and Al-Bab exam centers, in Syria, on August 16, 2023 at 11:00 Syrian time.
3. SBU Student Selection and Placement Exam consists of 100 questions in total and will last 160 minutes. SBU Student Selection and Placement Exam consists of 50 general ability, 20 Mathematics, 10 Biology, 10 Physics and 10 Chemistry questions.
4. There are five (5) multiple-choice answers in the exam questions, and only one of them is the right answer. Candidates must mark the correct option for each question on the optical form (answer paper) that will be given to them during the exam.
5. In order to minimize the mistakes that can be made in the optical form (answer paper), the examiners will inform the candidates about how to mark the answers on the optical form before the exam starts.

VI. UNIVERSITY OF HEALTH SCIENCES COBANBEY FACULTY OF MEDICINE STUDENT SELECTION AND PLACEMENT INTERVIEW EXAM

1. University of Health Sciences Student Selection and Placement Interview Exam is an exam to be administered by the Interview Commission after the written exam. Starting with the highest results obtained in the Student Selection and Placement Exam, candidate students three (3) times the announced quota will be called for an interview. **Candidates who will be called for the interview will be announced on the website of our University at <https://basvuru.sbu.edu.tr>.** Candidates are required to have their passport and/or ID with them when coming to the interview.
2. **SBU Student Selection and Placement Interview Exam will be held in Syria at Çobanbey Faculty of Medicine on 27 August - 30 August 2023, at 10.00 -17.00 in Syrian time.**

VII. EVALUATION OF SCORES FOR STUDENT SELECTION AND PLACEMENT AT THE UNIVERSITY OF HEALTH SCIENCES COBANBEY FACULTY OF MEDICINE

1. In line with the criteria accepted by our university, the score on the high school diploma or for students who do not have a high school diploma, the score on the Baccalaureate (IB) Result Certificate (scientific - numerical, literature - verbal) obtained at the end of the high school graduation exams, and the scores obtained both at the Selection and Placement Exam and the Interview Exam to be held in Syria, Çobanbey, will be considered to evaluate the success of candidates. **The success score of the candidate is calculated by taking 60% of the result of the Student Selection and Placement Exam conducted by the University of Health Sciences; 20% of the interview exam result to be held by the University of Health Sciences and 20% of the score of high school or 20% of the score of the Baccalaureate (IB) Result Certificate (scientific - numerical, literature - verbal) obtained at the end of the high school graduation exams. Students will be accepted in the relevant program based on the total score obtained. In case of equality, candidates birthdates are considered and younger candidate will be accepted.**
2. **The interview exam results of the candidates will be announced on the official website of the University of Health Sciences at <https://basvuru.sbu.edu.tr>.**

3. Final registration will be made to the Health Sciences University Çobanbey Faculty of Medicine according to the success score ranking in the announced list.

VIII. UNIVERSITY OF HEALTH SCIENCES COBANBEY FACULTY OF MEDICINE QUOTAS
